SUBJECT: *Briefing on Burial Packaging*

Today discussed burial packaging techniques with [redacted] of ID/TSS, [redacted] who is going TDY [redacted]. Told that with time we could provide for their inspection and test fungicide hot-dip, ss burial containers, fiberglass burial boxes, nylon backed barrier mat'l. She was given a sample of nylon-backed barrier mat'l and will be given pictures of ss and fiberglass burial container. She was instructed to ask [redacted] what they wish for burial that we are not
